International Baccalaureate Parent Meetings!

Dear Parents,

If your child is in the eighth grade and is taking either Algebra 1 or Geometry, he/she is eligible for the Gulf High School International Baccalaureate Program. This is an advanced program which features college level courses beginning in the ninth grade. Your child is eligible to earn college credits toward a college degree beginning next year!

Representatives from Gulf High School have been visiting every middle school on the west side of Pasco County and the students have seen or will see a presentation that explains the IB Program and they have received an application to apply. Once students apply they must also take a writing and math placement test at Gulf High School Saturday, December 5, 2015 at 8:00 a.m.

If your son or daughter is interested in this rigorous diploma program designed to prepare students for college, we encourage you to attend one of the parent nights listed below. If you would like more information but are unable to attend any of the meetings, please email or call me prior to December 5. Or see International Baccalaureate tab on the Gulf High School website.

We hope to see you at one of the following meetings:

Nov. 16, 2015 @ 12:00pm **Student Presentation, RRMS media center**
Nov. 16, 2015 @ 6:00 p.m. **Parent Presentation, RRMS media center**
Nov. 19, 2015 @ 6:00 p.m. **Gulf High School media center.**

This is the last of the scheduled parent meetings. Come visit GHS and see what we have to offer!

Thank you!

Mr. Steven Page
IB Assistant Principal
