GOAL

1

High Impact Instruction

Improve the rigor of instruction in all content areas. By the end of the 2016 - 2017 school year, RRMS Instructional Staff will demonstrate evidence they are planning, delivering, and monitoring standards based instruction matched to the rigor of the standards at the following levels: Science 42%, Math 60%, Social Studies 60%, Language Arts 42%, and all other subject areas 60%.

- Standard-Based Professional Development.
- Rigor Walks with Leadership Team and Regional Team using Core Action Guides.
- Job embedded Science Professional Development provided by Regional Team.
- ESE Inclusion Training for all staff provided by SSPS.
- Teachers will incorporate technology learned during Workshop Wednesdays during classroom instruction.

Data Driven Decisions

Increase support for all students at each grade level. By the end of the 2016 - 2017 school year, RRMS will implement one 6th, 7th, and 8th Grade Level Team with fidelity to establish and monitor expectations, interventions, and incentives related to academics, attendance, and discipline.

- Data will be analyzed monthly and students who are at-risk and off-track will be identified and supported.
- Students will be assigned on team interventions during weekly enrichment time. Students may also be assigned to Extended School Day, Academic Lunch, Tutoring, Alternative to Suspension, Star Lunch, and Guidance Support.
- Regional Support Team will attend quarterly report out sessions of grade level team problem solving discussions.
