The choices that you make are binding. If you do not choose elective courses and your first choice electives are full, your classes will be chosen for you and schedule change requests will not be honored. Schedule changes will not be made because you decide that you do not want to take a course any longer. Please choose wisely as you will be taking the classes that you select. +Application Required</small></p>

PE WAIVER STATEMENT

Only complete if your child is not taking PE.

PE Waiver Requirement: Senate Bill 610 requires the equivalent of one class period per day of Physical Education for one semester each year for students in grades 6-8. A waiver is required for students for the following criteria:

- Student requires a remedial course
- Parent requests another offered course
- Parent verifies that student participates in equivalent activities outside the school day

I have read the PE Waiver Statement and believe that my child meets one of the listed criteria for exemption and requests courses other than PE. Completing the waiver does not guarantee your child will not be in PE.

Middle School Promotion Requirements

Middle school students are required to successfully complete three years of language arts, mathematics, science and social studies.

Advanced Coursework

- Courses will be rigorous and may require significant projects, writing assignments and work outside of class time.
- Placement is determined by past student performance. Criteria will include previous Level 4 or 5 on FSA Reading and/or Math, "A" average, high achievement on district quarterly checks and teacher recommendation.
- Schedule changes **will not** be possible once enrolled due to class-size mandates and end-of-course requirements.

Intensive Coursework

- Students may be placed in an intensive reading class if they do not show proficiency on the FSA ELA Assessment.
- Students who do not receive passing grades in their four core content classes (Math, ELA, Science and Social Studies) will be placed in the academic learning lab for course recovery.
