\*\*\* Classes are offered on the basis of the choices that you make. The choices that you make are binding. If you do not choose elective courses and your first choice electives are full, your classes will be chosen for you and schedule change requests will not be honored. Schedule changes will not be made because you decide that you do not want to take a course any longer. Please choose wisely as you will be taking the classes that you select.

## **PE WAIVER STATEMENT**

### **Only complete if your child is not taking PE.**

PE Waiver Requirement: Senate Bill 610 requires the equivalent of one class period per day of Physical Education for one semester each year for students in grades 6-8. A waiver is required for students for the following criteria:

- Student requires a remedial course
- Parent requests another offered course
- Parent verifies that student participates in equivalent activities outside the school day

I have read the PE Waiver Statement and believe that my child meets one of the listed criteria for exemption and requests courses other than PE.

## **Online Health Agreement**

### **Only complete if your child is taking Band 1 or Chorus 1.**

I am requesting my child take the year-long elective of Band or Chorus, I agree to have him/her take the class online through Pasco eSchool when offered. I understand this class will need to be completed outside of the regular school day.

## **Middle School Promotion Requirements**

Middle school students are required to successfully complete three years of language arts, mathematics, science and social studies. Students who do not receive passing grades in their four core content classes (Math, ELA, Science and Social Studies) will be placed in the academic learning lab for course recovery.

## **Advanced and Accelerated Course Options**

We believe that with the right supports, ALL students have the ability to meet high academic standards through challenging course work.

## **Schedule Changes**

Schedule changes will not be possible once enrolled due to class-size mandates and end-of-course requirements.

## **Helpful Resources**
