

# STEM Camp

## Is your child interested in STEM?

This summer excite your 5th – 8th grader with engineering and robotics activities. Your child will get **hands on** while learning about building, robots, **3-D Printing** and computer-aided design.

## Some activities include:

Slingshots, **Battlebots**, designing Planes, design your own Puzzle Cube, and **Model Rockets!**

## Sponsored by:

River Ridge High School's Academy of Engineering and River Ridge High School's Royal Robotics Team.
