# River Ridge Middle School

## What do I do if I'm absent or on quarantine?

1. Log into myLearning (See below for directions).
2. Read the daily agenda, find the assignment(s) needed for the day.
3. Complete the assignment(s) for the day(s) you are absent.
4. There may not be a daily zoom. If you are having trouble with any assignment, contact your teacher by clicking on your inbox and request assistance. Your teacher will reach out by phone, zoom, or communicate through e-mail depending on the level of help that is needed.
5. You may also want to visit the district help page at https://www.pasco.k12.fl.us/coronavirus/quarantine
6. It is the student's responsibility to take ownership of their learning.
