

# SUMMER MATH ACCELERATION PROGRAM

Jump start your 2022-23 school year with exciting STEM opportunities online!

We are partnering with Pasco eSchool and encourage incoming 6<sup>th</sup> graders to take advantage of accelerated math options by signing up and completing 6<sup>th</sup> Grade Advanced Math over the spring and summer. Students who successfully complete will be in 7<sup>th</sup> Grade Advanced Math in August 2022. This pathway will allow students to gain a deeper understanding of math and have more opportunities to earn high school credits in middle school. This option also aligns well with the Accelerated Science Program. Sign up with Pasco eSchool today at [eschool.pasco.k12.fl.us](http://eschool.pasco.k12.fl.us)!

## WANT MORE ELECTIVES AS A 6<sup>TH</sup> GRADER?

### Take M/J Health Online

Incoming 6<sup>th</sup> graders have the opportunity to sign up to take M/J Health online through Pasco eSchool during the summer or school year to gain a full year or two semester electives. Sign up with Pasco eSchool today at [eschool.pasco.k12.fl.us](http://eschool.pasco.k12.fl.us) and make sure to indicate this on your RRMS course card.

**July 28, 2022 – Times TBD**

### Let's STORM THE CASTLE...

begin your journey as a Royal Knight by attending this special orientation event.

The day will feature sessions:

- Navigating The Castle (Campus Scavenger Hunt/Tour)
  - The ROYAL Way
  - Cafeteria, Bus, & Media Procedures
- Getting Involved with Clubs, Athletics, & Purple Pride
- Beat the lines by getting your schedule early & paying fees
- RRMS T-shirt, string pack, breakfast & lunch provided

**Please visit the RRMS website at [rrms.pasco.k12.fl.us](http://rrms.pasco.k12.fl.us) to stay up to date on important information.**
