

SUMMER MATH ACCELERATION PROGRAM

Jump start your 2023-24 school year with exciting STEM opportunities online!

We are partnering with Pasco eSchool and encourage incoming 6th graders to take advantage of accelerated math options by signing up and completing 6th Grade Advanced Math over the spring and summer. Students who successfully complete will be in 7th Grade Advanced Math in August 2023. This pathway will allow students to gain a deeper understanding of math and have more opportunities to earn high school credits in middle school. This option also aligns well with the Accelerated Science Program. Sign up with Pasco eSchool today at eschool.pasco.k12.fl.us!

WANT MORE ELECTIVES AS A 6TH GRADER?

Take M/J Health Online

Incoming 6th graders have the opportunity to sign up to take M/J Health online through Pasco eSchool during the summer or school year to gain a full year or two semester electives. Sign up with Pasco eSchool today at eschool.pasco.k12.fl.us and make sure to indicate this on your RRMS course card.

July 27, 2023 – Times TBD

Let's STORM THE CASTLE...

begin your journey as a Royal Knight by attending this special orientation event.

The day will feature sessions:

- Navigating The Castle (Campus Scavenger Hunt/Tour)
 - The ROYAL Way
 - Cafeteria, Bus, & Media Procedures
- Getting Involved with Clubs, Athletics, & Purple Pride
- Beat the lines by getting your schedule early & paying fees
- RRMS T-shirt, string pack, breakfast & lunch provided

Please visit the RRMS website at rrms.pasco.k12.fl.us to stay up to date on important information.
