

Peer Mentoring Application

Peers as Partners & Royal Squires

Peers as Partners (High School Course): Students will be peer mentors to assist students in transition to middle school and in Core Academic Courses focusing on reading, math, social skills, and organization skills. You must be willing to work with students you do not know and be confident in your abilities to help other students. Students will receive training over the summer. You will earn High School Elective Credit.

Royal Squires (Middle School Peer Counseling): Students help in the Administrative Front Office, Student Services, Media Center, and Classrooms. These students will be role models for others, exemplifying our Knightly Values and can easily follow directions. You must be willing to talk with staff and students you do not know and be familiar with our campus and program offerings. Applicants will be reviewed, and final placement will be selected after review with administration.

Please complete the application below and turn in with your course card for consideration.

Contact Ms. Martanovic (kmartano@pasco.k12.fl.us) with any questions.

Student Name: _____ ID: _____

Current Grade Level: 6 7 I am currently a Peer this school year: YES NO
