

# We are coming to your school to help you fight the flu!

**WHEN:** \_\_\_\_\_

**WHERE:** \_\_\_\_\_

**COST:** Vaccines are provided at NO COST to students, parents, or schools. We will always work with insurance companies and parents to ensure ALL students qualify.

**WHY:** By increasing the ease of the immunization process and reducing the burden on parents we will increase the vaccination rate of school-age children to help stop the flu chain in its tracks.
