

SUMMER MATH ACCELERATION PROGRAM

Jump start your 2024-2025 school year with exciting opportunities online!

&

We are partnering with Pasco eSchool and encourage incoming 6th graders to take advantage of accelerated math options by signing up and completing 6th Grade Accelerated Math over the spring and summer. Students who successfully complete will be in 7th Grade Accelerated Math in August 2024. This pathway will allow students to gain a deeper understanding of math and have more opportunities to earn high school credits in middle school. This option also aligns well with the Accelerated Science Program. Sign up with Pasco eSchool today at eschool.pasco.k12.fl.us!

WANT MORE ELECTIVES AS A 6TH GRADER?

Take M/J Health Online

Incoming 6th graders can sign up to take M/J Health online through Pasco eSchool during the summer or school year to gain a yearlong elective OR two semester electives. Sign up with Pasco eSchool today at eschool.pasco.k12.fl.us and make sure to indicate this on your RRMS course card.

Thursday, August 1st: 8AM-10AM or 10AM-12PM

Let's STORM THE CASTLE...

Begin your journey as a Royal Knight by attending this special orientation event.

- Navigating The Castle (Campus Scavenger Hunt/Tour)
 - Get your schedule & pay school fees
