Helpful Resources

Review the elective course catalog and video descriptions on the RRMS website in the School Info tab. Please take a moment to go to the school district's parent page which includes the course catalog, parent portal information, and helpful tips for navigating middle school.

RRMS Website<http://rrms.pasco.k12.fl.us/>**District Parent Page & Navigating Middle School**<https://www.pasco.k12.fl.us/parents>**Middle School Promotion Requirements**

Middle school students are required to successfully complete three years of English Language Arts, Mathematics, Science, and Social Studies. They are also required to complete a career and education planning component, and take the Civics End of Course exam which is 30% of student's course grade.

Advanced and Accelerated Course Options

We believe that with the right supports, each student has the ability to meet high academic standards through challenging course work.

Schedule Changes

Schedule changes will not be possible once enrolled due to class-size mandates and end-of-course requirements. Classes are offered based on the choices that students make on their course card. The choices that are made are binding. If students do not choose enough elective courses and/or first-choice electives are full and no other electives are chosen, classes will be chosen for students and schedule change requests will not be honored. Schedule changes will not be made because students decide that they do not want to take a course any longer. Students will be taking the classes that are selected on the course card.

PE WAIVER STATEMENT

PE Waiver Requirement: Senate Bill 610 requires the equivalent of one class period per day of Physical Education for one semester each year for students in grades 6-8.

A waiver is required for students for the following criteria:

- ✓ Student is receiving or is recommended to receive remedial support.
- ✓ Parent/Guardian requests another offered course.
- ✓ Parent/Guardian verifies that student participates in equivalent activities outside of the regular school day.

I have read the PE Waiver Statement and believe that my child meets one of the listed criteria above for exemption and has requested electives other than PE.
