

Summer Math Acceleration Program

Jump start your 2026-2027 school year with exciting opportunities online!

&

We are partnering with Pasco eSchool and encourage incoming 6th graders to take advantage of accelerated math options by signing up and completing 6th Grade Accelerated Math over the spring and summer. Students who successfully complete the course will be enrolled in 7th Grade Accelerated Math in August 2026. This pathway will allow students to gain a deeper understanding of math and have more opportunities to earn high school credits in middle school. This option also aligns well with the RRMS Accelerated Science Program. Sign up with Pasco eSchool today at eschool.pasco.k12.fl.us!

Want more electives as a 6th Grader?

Incoming 6th graders can sign up to take M/J Health online through Pasco eSchool during the summer or school year to gain a yearlong elective OR two semester electives. Sign up with Pasco eSchool this summer at eschool.pasco.k12.fl.us and make sure to indicate this on your RRMS course card.

Let's STORM THE CASTLE...

Thursday, July 30, 2026

8AM-10AM or 10AM-12PM

Begin your journey as a Royal Knight by attending this special orientation event.

- Navigating The Castle
- Get your schedule & pay school fees
- RRMS Swag Store
- RRMS T-shirt and sling back bag provided when students pick up their schedule

Please visit the RRMS website at rrms.pasco.k12.fl.us to stay up to date on important information regarding the Class of 2033!
